Crafts in the Meadow

GREEN ARTS INITIATIVE

Going Green has been the basic tenant of all capitol improvements since the inception of Tyler Park Center for the Arts. Next on the agenda is the incorporation of alternative energy to fuel these creative spaces. Join us in manifesting sustainable growth and supporting environmental efficacy. Envision the incorporation of a community solar car port with charging stations, Agrivoltaic fields combining agrilture + solar energy, and alternative energy education as possibilities. We can make the dream a reality through Individual sponsors, Corporate and Non-Profit partnerships and industrious people who are the fabric of this community like you! A 1-year TPCA Membership includes:

- Discounts for TPCA Workshops and Summer Camps
- Free Admission to Crafts in the Meadow
- Members Art Show participation & admission
- Free or discounted admission to Special Events
- Benefits increase with the level of membership.

Your membership along with the contributions of generous individuals and businesses has allowed us to keep our costs lower, our programs vibrant, and the arts accessible to everyone in our community.

Our mission is to enrich the community through fine arts, crafts and music; to encourage art education and excellence; to nurture artists in a community of connection; and grow cross-cultural, social, and racial understanding through the experience of the arts.

Visit us at [TylerParkArts.org](https://tylerparkarts.org) for more information on current classes & workshops, summer camps, community days, and special events (including scheduling your own).
